INDEPENDENT AUDITORS' REPORT

Board of Commissioners
Community Center & Playground District
No. 3 of Ward 7 of Calcasieu Parish
Calcasieu Parish Police Jury
Vinton, Louisiana

We have audited the accompanying financial statements of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish, a component unit of the Calcasieu Parish Police Jury, as of December 31, 2008, and for the year then ended. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The District has not presented management's discussion and analysis that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be a part of, the basic financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish as of December 31, 2008, and the results of its operations for the year then ended in conformity with U.S. generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 29, 2009, on our consideration of the District's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts, and grants. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of per diem paid board members is presented for purposes of additional analysis as required by the Louisiana Legislative Auditor, and is not a required part of the financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2008

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish was created by the Calcasieu Parish Police Jury, as authorized by Act 82 of 1948. A board of five commissioners appointed by the Calcasieu Parish Police Jury governs the District. The District establishes regulations governing its parks, playgrounds, and community centers and provides administration, management, maintenance, and operations of the facilities.

A. Basis of Presentation

The financial statements of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the District's accounting policies are described below.

B. Reporting Entity

The District is a component unit of the Calcasieu Parish Police Jury, the financial reporting entity. The police jury is financially accountable for the District because it appoints a voting majority of the board and has the ability to impose its will on them.

The accompanying financial statements present information only on the funds maintained by the District and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

C. Basic Financial Statements – Government-Wide Statements

The Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish basic financial statements include both government-wide and fund financial statements. Both the government-wide and fund financial statements categorize primary activities as either governmental or business type. The District net assets are reported in two parts – invested in capital assets (net of related debt), and unrestricted net assets.

The government-wide Statement of Activities reports both the gross and net cost of each of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish functions. The functions are supported by general government revenues. The Statement of Activities reduces gross expenses (including depreciation) by any related program revenues, which must be directly associated with the function. The net cost (by function) is normally covered by general revenues.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis Financial Statements – Government-Wide Statements (Continued)

This government-wide focus is more on the sustainability of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish as an entity and the change in the District's net assets resulting from the current year's activities.

D. Basic Financial Statements – Fund Financial Statements

The financial transactions of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish are recorded in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues and expenditures. The various funds are reported by generic classification within the financial statements. The District uses the following fund type:

Governmental Funds – the focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income.

The emphasis in fund financial statements is on the major funds in the governmental category. GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category or the governmental and enterprise combined) for the determination of major funds. The District's general fund is considered a major fund.

E. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied.

1. Accrual:

The governmental activities in the government-wide financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

No. 3 of Ward 7 of Calcasieu Parish

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2008

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenues of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish consist principally of property taxes, user fees, other intergovernmental revenues, donations, and interest income. Property taxes are billed and generally collected within the fiscal year in which the taxes are levied. Interest income is recorded when earned. Donations and other intergovernmental revenues are recorded when received in cash because they are generally not measurable until actually received.

2. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under modified accrual basis of accounting, revenue is recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or within 60 days after year-end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this rule is the principal and interest on general obligation long-term debt, if any, is recognized when due. Depreciation is not recognized in the governmental fund financial statements.

F. Cash and Cash Equivalents

Cash and cash equivalents include amounts in demand deposits as well as short-term investments with an original maturity of three months or less.

G. Accounts Receivable

Accounts receivable consists of ad valorem taxes totaling \$343,283 as of December 31, 2008. Uncollectible amounts due for ad valorem taxes are recognized as uncollectible using the allowance method. The allowance for doubtful accounts at December 31, 2008, was \$6,866.

H. Budgets

A budget is adopted on a basis consistent with generally accepted accounting principles. An annual appropriated budget is adopted for the general fund. All annual appropriations lapse at fiscal year end.

On or before the last meeting of each year, the budget is prepared by fund, function, and activity and includes information on the past year, current year estimates, and requested appropriations for the next fiscal year.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The proposed budget is presented to the District's Board of Commissioners for review. The board holds a public hearing and may add to, subtract from, or change appropriations, but may not change the form of the budget. Any changes in the budget must be within the revenues and reserves estimated.

Expenditures may not legally exceed budgeted appropriations by more than five percent. During the year, several supplementary appropriations were necessary.

I. Capital Assets

Capital assets purchased or acquired with an original cost of \$200 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Building and building improvements	15 – 39 years
Equipment	5 – 20 years

NOTE 2- STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

The Community Center & Playground District No. 3 of Ward 7 uses the following budget practices:

A budget is adopted on a basis consistent with generally accepted accounting principles. An annual appropriated budget is adopted for the General Fund. All annual appropriations lapse at year end.

On or before the last meeting of each year, the budget is prepared by fund, function, and activity and includes information on the past year, current year estimates, and requested appropriations for the next fiscal year.

The proposed budget is presented to the District's Board of Commissioner for review. The board holds a public hearing and may add to, subtract from, or change appropriations, but may not change form of the budget. Any changes in the budget must be within the revenues and reserves estimated.

Expenditures may not legally exceed budgeted appropriations at the activity level.

Budgeted capital outlay was over budgeted by approximately \$192,000 due to a project that was delayed till 2009.

NOTE 3 - AD VALOREM TAXES

For the year ended December 31, 2008, taxes of 7.93 mills and 3.00 mills were levied on property with assessed valuations totaling \$42,495,872 and were dedicated as follows:

General operating purposes	7.93 mills
Swimming pool	3.00 mills

Total taxes levied were \$464,082.

Property tax millage rates are adopted in July for the calendar year in which the taxes are levied and recorded. All taxes are due and collectible when the assessment rolls are filed on or before November 15th of the current year and become delinquent after December 31. Property taxes not paid by the end of February are subject to lien.

NOTE 4 - CASH AND INVESTMENTS

At December 31, 2008, the District has cash and cash equivalents (book balances) totaling \$1,313,392. All cash and cash equivalents are held in demand deposit accounts.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 2008, the district has \$1,314,873 in collected bank balances. These deposits are secured from risk by \$250,000 of federal deposit insurance and \$1,215,633 of pledged securities held by the custodial bank in the name of the fiscal agent bank (GASB Category 3).

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Commissioners
Community Center & Playground District
No. 3 of Ward 7 of Calcasieu Parish
Calcasieu Parish Police Jury
Vinton, Louisiana

We have audited the basic financial statements of the Community Center & Playground District No. 3 of Ward 7, a component unit of the Calcasieu Parish Police Jury, as of and for the year ended December 31, 2008, and have issued our report thereon dated May 29, 2009. We conducted our audit in accordance with generally accepted auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal controls over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting.

Our consideration of internal control over financial reporting was for limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies or material weaknesses. However, as discussed below, we identified deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted

Page 2

accounting principles such that there is more than a remote likelihood that a misstatement of financial statement that is more than inconsequential will not be prevented or detected by internal control. We consider the deficiencies described in the accompanying schedule of findings and questioned costs identified as 08-01(IC) and 08-02(IC), to be significant deficiencies in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that result in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by internal control.

Our consideration of internal control over financial reporting was for limited purpose described in the first paragraph of this section and could not necessarily identify all deficiencies in the internal control that might be significant deficiencies and accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we consider items 08-01(IC) and 08-02(IC) to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standard*.

The District's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the District's response and, accordingly, we express no opinion on it.

This report is intended for the information of the Community Center & Playground District No. 3 of Ward 7 of Calcasieu Parish's management, the Board of Commissioners, the Calcasieu Parish Police Jury and the Legislative Auditor. However, this report is a matter of public record and its distribution is not limited.

Summary Schedule of Current and Prior Year Audit Findings
and Corrective Action Plan

For the Year Ended December 31, 2008

Ref. No.	Fiscal Year Finding Initially Occurred	Description of Finding	Corrective Action Taken	Corrective Action Planned	Name of Contact Person	Anticipated Completion Date
Current year (12/31/2008)						
Internal Control:						
08-01 (IC)	Unknown	The Community Center did not have adequate segregation of duties within the accounting system.	No	The District's management has determined that it is not cost effective to achieve complete segregation of duties in the accounting department. They have, however, segregated as many duties as possible. No plan is considered necessary.	John Henderson	NA
08-02 (IC)	2007	The Community Center does not have a staff person who has the qualifications and training to apply generally accepted accounting principles (GAAP) in recording the entity's financial transactions or preparing its financial statements, including related notes.	No	The District's management has evaluated the cost vs. benefit of establishing internal controls over the preparation of financial statements in accordance with (GAAP) and determined that it is in the best interest of the government to outsource this task to its independent auditors, and to carefully review the draft financial statements and notes prior to approving them and accepting responsibility for their contents and presentation.	John Henderson	NA
